

PROPHETIC PRIORITIES 2021

CENTRAL AMERICA AREA

VISION

“Our message to the world is simple and sincere: we invite all of God’s children on both sides of the veil to come unto their Savior, receive the blessings of the holy temple, have enduring joy, and qualify for eternal life”.

—President Russell M. Nelson

PRIORITIES

Four focus areas to help you make or keep covenants in the baptismal font and in the House of the Lord, and help others do the same.

Children and Youth

Strengthen the faith of the rising generation. Fully adopt the new Children and Youth Program. Live it at home with the support from Church leaders.

Gathering of Israel

Encourage the gathering of Israel on both sides of the veil. Share the Gospel with others, work on Family History, and regularly make and keep appointments to worship in the temple.

Ministering

Minister with a newer and holier approach. Visit and serve others and join the full-time missionaries in teaching new member lessons.

Tithings and Offerings

Pay a full tithe and a generous fast offering.

HOW DO WE MEASURE OUR PROGRESS?

The following questions can help us analyze our lives to know if we are fulfilling the prophet’s vision:

- What do I need to change to be more willing to let God prevail in my life and hasten my engagement in the gathering of Israel on both sides of the veil?
- How can I strengthen faith in Jesus Christ among the rising generation?
- Do I live the Law of Tithing, am I diligent in fasting and generous in my offerings?
- Do I have a current temple recommend?
