Vision

“Our message to the world is simple and sincere: we invite all of God’s children on both sides of the veil to come unto their Savior, receive the blessings of the holy temple, have enduring joy, and qualify for eternal life”.

—President Russell M. Nelson

1-1-1

Priorities

Four focus areas to help you serve following the prophetic priorities and help others to make and keep covenants with the Lord.

Children and Youth

Strengthen the faith of the rising generation by caring and supporting them to remain in the covenant path. Fully adopt the new Children and Youth Program living it at home, with support from Church leaders. Support the progress of future missionaries.

Gathering of Israel

Encourage the gathering of Israel on both sides of the veil. Share the Gospel with others. Do Family History work by focusing on finding your ancestors to do the work for them at the temple. Wherever possible, make regular appointments to worship in the temple.

Ministering

Minister with a newer and holier approach. Visit, serve, and invite our brothers, sisters, and friends to attend sacrament meeting to partake of the Sacrament. Increase the number and quality of ministering interviews.

Tithings and Offerings

Exhort others to pay a full tithe and a generous fast offering.

How do we measure our progress?

We will know we are fulfilling our vision as we see improvements in the nine conversion and growth indicators seen in the progress reports and placing special emphasis on:

- + Youth serving full-time missions
- + Baptisms and confirmations
- + People sending names to the temple
- + Sacrament meeting attendance
- + Tithing and fast offering donors

*“So I ask each of you, how firm is your **foundation**? And what **reinforcements** to your testimony and understanding of the gospel are needed?”*

—President Russell M. Nelson
