## Getting Started

- Be prayerful as you consider your goals     Identify specific goals for each priority

## Points to Ponder

There is value in setting goals that are specific, measureable, achievable, realistic and that occur within a specific time frame. For members, the questions below may be used as a guide to help you set your personal and family goals.

The icon list below serves as a reminder to stake and ward councils of the nine key indicators on the quarterly report. These will be used in wards and stakes as a means of measuring the progress of your goals.
